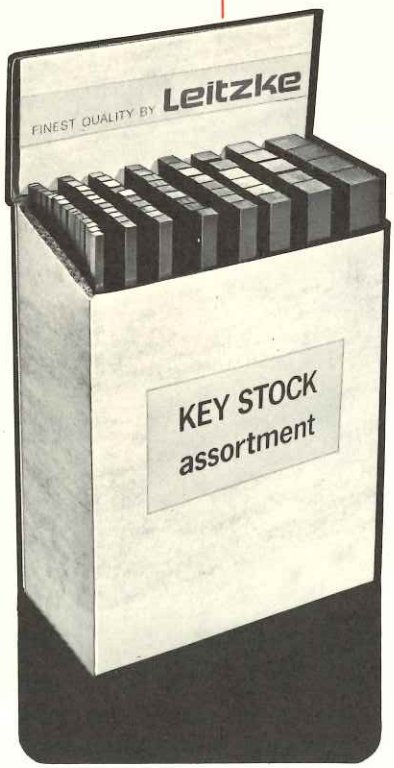
Specialty Components and Replacements

Rein Leitzke Inc.
Hustisford, Wis.
53034

LEITZKE QUALITY COMES TO YOU THE WAY YOU WANT IT...

EASY-INVENTORY PACKAGING

Leitzke specialties are packed in boxes or clear plastic pouches holding a convenient quantity of a single size. Individual packs are marked with product name and size.



ASSORTMENTS

Most Leitzke specialties feature several assortments in which a selected range of popular sizes are included. Package assortments are convenient to stock and easier to use for replacement or maintenance needs.

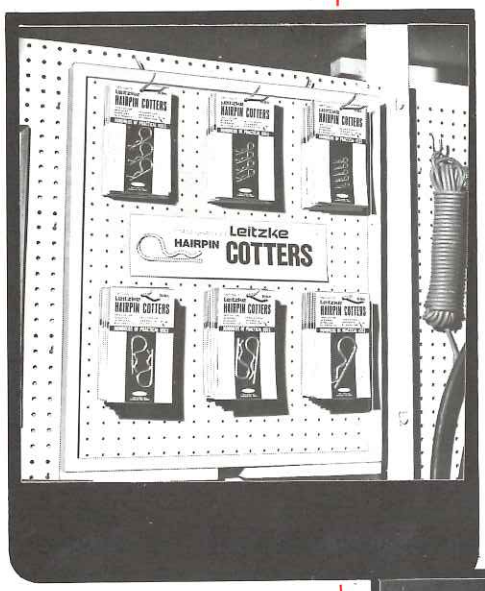
FINEST QUALITY BY Leitzke

VOLUME PACKAGING

For large volume users, the efficiency of volume packing makes handling easier for production and inventory requirements.

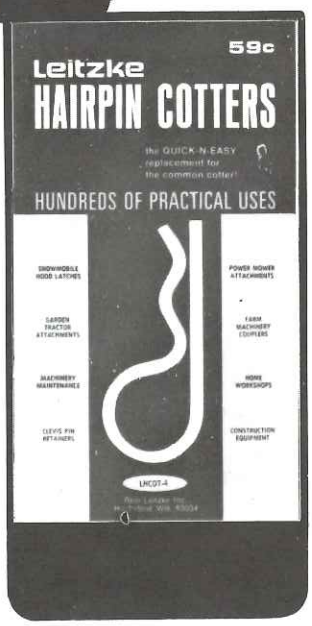
DISPLAY ASSORTMENTS

Hairpin cotters, Expanpins and other items are packaged in attractive consumer packs. The newest thermal forming process seals a variety of popular sizes to colorful 4 by 7 cards. Pegboard hangers and point-of-purchase signs are also included.



ORDER BY PRODUCT CODE

All Leitzke specialties in this catalog are listed by product code and size. Be sure to order by product number, it assures prompt processing of your order. All prices in this catalog are list per 100 pieces, F.O.B., Hustisford, Wi.



Effective Sept. 1, 1972. Supersedes Catalog No. 41. Prices subject to change without notice.

For quantities of less than 25 pieces of a single item a setup charge of $10.00 will apply.
For special sizes or specifications contact factory.

List prices shown are for square keys in 1018 steel. Other materials listed available upon request. Rectangular keys take the price of the larger square. For example, the size ⅛ x ¼ x 1 takes the price of the ¼ square by one inch.

See page 30 for convenient assortments

MACHINERY KEYS
One End Round

Expect consistent Leitzke quality in the broad range of one end round machinery keys. To order specify product code for type of one end round key and all three dimensions. One end round key product codes are:

For quantities of less than 25 pieces of a single item a setup charge of $10.00 will apply.
For special sizes or specifications contact factory.

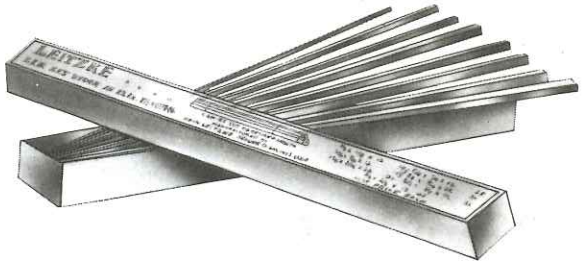
List prices shown are for both ends round in 1018 steel. Other materials listed available upon request. Rectangular keys take the price of the larger square. For example, the size ⅛ x ¼ x 1 takes the price of the ¼ square by one inch.

KEY STOCK



The quality key stock from Leitzke provides versatile cut and fit convenience. Machined to close tolerances, Leitzke key stock is available in commercial (regular) tolerances or oversize. Fully plated, Leitzke key stock is cut to easily-stocked 12 inch lengths.

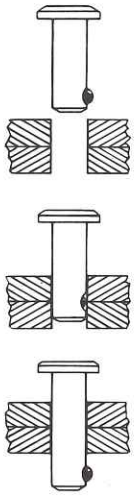
The positive self-locking security of Leitzke cotterless Clevis pins proves itself in countless applications. The pin is reuseable — a plated steel pin with all working parts stainless steel. The locking ball mechanism as shown can be inserted at various depths for extra versatility.

Cotterless Clevis pins also available in other materials.



ADJUSTABLE PINS

A quick replacement pin, the Leitzke adjustable pin features a series of holes making it adaptable to varying lengths. Use the length desired and cut it off. Use to replace bolts, cotter pins, rivets or keys.

See page 31 for convenient assortments.

All Leitzke Hitch Pins feature high shear strength material, easy grip pull ring and high tension hair pin cotter.

Rein Leitzke Inc. guarantees all Leitzke Hitch pins listed above from breakage under normal usage for a period of one year from date of purchase.

Manufacturers liability under this warranty as to defects in material or workmanship or the processes of manufacturing is limited to the repair or replacement of the hitch pin only.

If found to be defective, replacement will be made at no charge.

All Leitzke Hitch pins subject to replacement must be returned postpaid to Rein Leitzke, Inc.

Warrantee applies to replacement of Hitch pin only.

REIN LEITZKE INC. P.O. BOX 305 HUSTISFORD. WIS. 53034 414-349-3211

Leitzke

Dear Customer . . . .

. . . . here is your NEW LEITZKE CATALOG.

To be able to serve you better, all LEITZKE products have part numbers assigned to them. These part numbers are used to process your orders on our Burroughs TC-500 computer. To help us speed up the processing of your orders, we would appreciate you using the part numbers along with the product description in sending your purchase orders to REIN LEITZKE, INC.

To serve you better, we have "24 hour telephone order service". Call REIN LEITZKE, INC. any time day or night to order LEITZKE quality products. After normal plant hours, special recording equipment will accept your order. The following morning, your order will be processed for prompt shipment. To place an order day or night, call (414) 349-3211.

Several new products which were added to the LEITZKE line in 1972, such as Cotterless Clevis Pins, Cotterless Hitch Pins, Headless Pins, and Draw-bar Hitch Pins, have become very popular. A new packaging concept was also introduced. In the pocket on the inside of the back cover, you will find brochures covering convenient carded assortments. These assortments are easy to display and are ideal for self-service merchandising to give you greater profits.

We would also like to call your attention to the simplified discount schedule located in the catalog pocket. As you can see, we have standardized the discount schedule considerably. This will make it much easier for your accounting department to calculate costs and check invoices on LEITZKE products.

The new catalog reflects changes in prices on Draw-bar Hitch Pins. Some have been reduced and some have been increased due to increases in labor and materials. Printing errors existing in Catalog No. 42 have been corrected.

We sincerely hope these changes will make it easier for you to obtain more business on QUALITY LEITZKE PRODUCTS, and that we may be favored with your valued orders.

If there is anything we can do to serve you better, please feel free to contact us.

Sincerely,

REIN LEITZKE, INC.

Ken W. Schmit
